The AGM needs member participation

ANNUAL GENERAL MEETING

Our AGM takes place next week and we have received a very limited response from members. This meeting is important for the association and will be successful based on your participation. We realize that this time of year is very busy for many of you, but this is your opportunity to provide the guidance, ideas, and input that the association values as we move forward for the next year.

We've made an effort to create an entertaining and enjoyable evening for those that attend and we encourage you to bring out your family. Please contact the office ASAP and provide us with confirmation that you'll be attending and how many people will be with you.

Our AGM will be taking place on May 21, at Sky High Wilderness Ranch. We are combining the AGM with the first of a series of industry social events, aimed at strengthening relationships, and showcasing operator's products.

For this family friendly event, there will be a catered dinner, live music from a Ryan McNally, an opportunity for you and the kids to play with the sled dog puppies, and short horseback rides will be available. All of these great activities are being offered to you for FREE!

DATE: May 21

TIME: 5 p.m. to 9 p.m.

LOCATION: Sky High Wilderness Ranch

AGM: 6 p.m. to 7 p.m.

For catering purposes, we need to know how many people are attending. This includes both you and family or friends. Please contact the WTAY offices with those details.
